This Bridgewater Open Space and Recreation Plan was prepared by the following staff of the Old Colony Planning Council under the direction of Pasquale Ciaramella, Executive Director:

Susan McGrath, GIS Coordinator

James R. Watson, Comprehensive Planning Supervisor

It drew on the 2005 draft Open Space Plan by the Town's Transportation Coordinator David M. Matton and on valuable assistance from the Open Space Committee and many towns Boards, Departments and staff including the Board of Assessors, Planning Board, Water Department, Conservation Commission, and Recreation Commission, and the Master Plan Implementation Committee and on volunteer groups including the Park Stewards. and the Natural Resources Trust of Bridgewater, with particularly invaluable help and guidance from the Trust's founder, Katherine Doherty.

The Committee looks forward to continuing cooperation with these groups and with the Community Preservation Committee which is expected to be a crucial source of needed funds.

We thank the following participants in the Open Space Photography contest whose photographs appear throughout the plan:

Laura Campbell

Leslie Dorr

Laurie Hartrey

Peter Murray

Joseph Pita

Anne Swarce

The Plan was financed by the Town, by the Taunton River Watershed Campaign with a grant from the Sheehan Family Foundation, by the Community Preservation Committee, and by State Chapter 43D Expedited Permitting Program's District Local Technical Assistance funds from the Old Colony Planning Council
