The public discussion of the Transportation Improvement Program (TIP) at Old Colony JTC, Old Colony MPO, and transportation meetings satisfies the Program of Projects (POP) public hearing requirements of the Federal Transit Administration (FTA).
You are invited to participate in an evaluation of the transportation planning process in the Old Colony region.

Every four years, the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) are required by law to review the metropolitan transportation planning process conducted by the Old Colony MPO and its partners in order to certify that they are carrying out the process in accordance with all applicable Federal requirements.

As part of this review, the Federal agencies would like to hear from members of the public on their views of how the metropolitan transportation planning process is conducted in the region.

Please attend the public meeting conducted by FHWA and FTA, to be held during the regularly scheduled Old Colony MPO meeting. If you are unable to attend, you may also submit your comments or observations in writing before November 8, 2019 to:
