

East Bridgewater Center— Traffic Improvements

Improvements:

1. Install traffic signals
2. Coordinate signals with Route 18 & Central Street signal
3. Optimize timing

Improvements:

1. Widen Route 18 (2 lanes)
2. Add protected left turn phase for NB & SB traffic
3. Add dashed lane marking for Route 18 NB LT
4. Eliminate Central Street LT to Spring Street & Route 18
5. Widen North Central Street (2 lanes) - eliminate some on street parking
6. Coordinate signal with Union Street signal
7. Optimize signal timing
