

HELP CREATE A NEW VISION FOR TRAFFIC MANAGEMENT AND BICYCLE AND PEDESTRIAN SAFETY FOR ROUTE 104 IN BRIDGEWATER

Bridgewater - Route 104 Bottleneck Study Workshop

WHEN: January 31, 2012—6:30 PM

WHERE: Academy Building, First Floor, Central Square, Bridgewater

AGENDA:

6:30 pm Study Overview and Timeline

7:00 pm Discussion of Issues and Opportunities

7:30 pm Alternative Solutions and Next Steps

YOUR IDEAS ARE IMPORTANT!

OCPC is conducting a study of Route 104 in Bridgewater from South Street to the Raynham Town Line. The study purpose is to relieve traffic bottlenecks and to develop solutions to enhance traffic flow and improve bicycle and pedestrian safety. You are invited to attend the presentation and discussion to create an overall vision for future development and improvements in the corridor.
